Notes

- These are design plans suitable only for concept design.
- It is the responsibility of the lot owner or contractor employed by the lot owner to verify the position of services on the ground before excavating.
- No contours shown. A final survey is required at the conclusion of works by each individual Lot owner.
- An electronic copy of the information in AutoCAD format can be obtained from Paterson Pitts Wanaka. Note this information comprises a final survey to establish finished ground levels. A \$650 + GST fee applies.
